Do you accept the offer of admission?
I ACCEPT my offer of admission

Conditions of Admission
By accepting Duke's offer of admission, I acknowledge my understanding and acceptance of the following conditions:

1. My acceptance to Duke is conditional and is based upon my satisfactory completion of the academic program in which I was enrolled when I was admitted, upon my maintaining my academic work at a level of academic achievement equal or superior to my past performance, and upon my maintaining a high standard of personal conduct. I will notify the Duke University Dean of Undergraduate Admissions within 48 hours if I fail to uphold these standards, either through my academic performance or my personal conduct, at any time before I matriculate in August 2026. This will include, but is not limited to, any extended absence or withdrawal from school, any school disciplinary action including probation, suspension or expulsion, or any legal action including citation or arrest. I understand that by indicating my intent to enroll I am now subject to all rules and regulations of Duke University including abiding by the Community Standard. I further understand that any change or decline as mentioned above, or failure to notify the Dean of Undergraduate Admissions immediately, may result in deferred matriculation or revocation of my admission.
2. I confirm my intention to enroll at Duke and certify that I have not made a deposit and/or enrollment commitment to another college or university and will not do so, other than to accept an offer of admission from a waiting list. If I accept an offer of admission from a waiting list I will immediately notify the Duke University Undergraduate Admissions Office. I understand that if I violate this agreement, my admission status at Duke and any other college or university will be subject to review and possible revocation, and that Duke may share the identity of enrolling students with other colleges and universities.
